

## Biography:

Feng Wang is a Professor in the Department of Materials Science and Engineering at the City University of Hong Kong. He received his BE (2001) and PhD (2006) degrees in Materials Science and Engineering from Zhejiang University under the supervision of Prof. Minquan Wang and Prof. Xianping Fan. He then carried out postdoctoral research work with Prof.

Xiaogang Liu at the National University of Singapore and the Institute of Materials Research and Engineering in Singapore before joining the CityU faculty in 2012. His research interests include design, synthesis, mechanistic investigation, and application of micro/nanostructured luminescent materials. Prof. Wang is a founding member of the Hong Kong Young Academy of Sciences, a Fellow of the Royal Chemical Society, and an Awardee of the Hong Kong Research Grants Council Research Fellowship.
