

**Zheling Zhang**

Guilin University of Electronic Technology (GUET)

Zheling Zhang is a Lecture at Guilin University of Electronic Technology (GUET). She received her B.Sc. from Nanjing University in 1999 and Ph.D. from Beijing Institute of Technology (BIT) in 2023. Her research focuses on development and application of Perovskite Solar Cells, novel approaches for semiconductor films, regulation of nano-morphology and structure in semiconductor films. She can be reached by email at zhangzl@guet.edu.cn
